

# CELEBRATING OUR 30th YEAR

For more than thirty years now Fast Deer Bus Charter, Inc. has been providing customers with high quality transportation at an affordable price. Currently, our fleet consists of 22 buses ranging in capacity from 20-56 passengers and next year we are planning to expand our fleet to accommodate our customer's growing needs. All of our vehicles are equipped with air conditioning, DVD players, iPod compatibility, recliner seats, restrooms, and a public address system. All of our buses are maintained on site at our state of the art facility located in the City of Montebello, CA.

We are proud members of the American Bus Association, the California Bus Association and the Better Business Bureau. If you have any further questions regarding our company feel free to give us a call at (323) 201-8988.

Thank you for expressing interest in Fast Deer Bus Charter, Inc. and we look forward to doing business with you.
